Discord Rules

Rules

1. Comply with Discord's Terms of Service.

- [Terms of Service](#)
- [Community Guidelines](#)

2. Show consideration for other community members.

- You're responsible for what you say and do. If you make others feel uncomfortable, moderators can react appropriately.
- Don't post any pornography or gore.

3. Avoid conflict.

- Treat others the way you'd want to be treated.
- Don't give anyone a reason to enforce the rules.

Reports

If you have any problems with other community members, contact a moderator or administrator. Provide the time, date, and any relevant screenshots or videos from the incident.
