Discord Rules

Rules

1. **Comply with Discord's Terms of Service.**
   - [Terms of Service](#)
   - [Community Guidelines](#)

2. **Show consideration for other community members.**
   - You're responsible for what you say and do. If you make others feel uncomfortable, moderators can react appropriately.
   - Don't post any pornography or gore.

3. **Avoid conflict.**
   - Treat others the way you'd want to be treated.
   - Don't give anyone a reason to enforce the rules.

Reports

If you have any problems with other community members, contact a moderator or administrator. Provide the time, date, and any relevant screenshots or videos from the incident.
